D'HALIFAX

THE DEFEN

The Halifax Citadel is a complex of military buildings and fortifications designed to protect the city of Halifax. It was built on the site of the old French citadel and is one of the best preserved examples of a star-shaped fortification in the world. The Citadel is a National Historic Site and is open to the public. It is a great place to learn about the history of the city and the military. The Citadel is a great place to visit for anyone interested in military history. It is a great place to see the history of the city and the military.
